The Vitality Big Half returns on Sunday 22 August 2021, when thousands of runners of all ages and abilities take to the streets of Tower Hamlets, Southwark, Lewisham and Greenwich.

Now in its fourth year, The Vitality Big Half is getting more people, especially those from the four host boroughs, into running. The event brings people together to share in the amazing experience of running through the streets of London with family, friends and some of the world's best athletes.

There are a host of running distances available, from a challenging half marathon to a free one-mile event.

The Vitality Big Half will see 15,000 runners set off from 08:30 by Tower Bridge on the 13.1-mile course, which finishes at the iconic Cutty Sark in Greenwich. The day also includes The Vitality Big Mile, a free, fun, family-friendly mass participation event along the route within Greenwich, and the New Balance Big Relay, a race for teams of up to four, where each participant runs a leg of the 13.1-mile course.

#### Advice for residents

Essential road closures that may affect your area are required as part of the event on Sunday 22 August. Please read this booklet and keep it in a convenient place to help you plan ahead for the weekend.

The following pages provide details of the road closures and the vehicle crossing points that will operate during specific times on the day to allow you access across the event route.

Advance warning signs will be displayed in affected roads in the build-up to the event. Police officers and stewards will be present on the day to help answer your queries and to ensure a safe and secure event.

Parking bays on the route will be suspended and residents are advised to relocate vehicles off the route prior to 04:00 on Sunday 22 August. Vehicles left on the route will be relocated. If your vehicle is moved, please use the [trace.london](https://www.trace.london) website to find it.

All existing pedestrian crossing points located on the route, other than those in the main Start Area near Tower Bridge, remain in operation on the day and marshals will help you to cross the route at these points when it is safe to do so.

Thank you for your support in helping to make The Vitality Big Half a fantastic event for our participants and the local community.

Road closures from 06:00 to 14:00 on Sunday 22 August 2021.

Residents and businesses in Limehouse and Westferry will be affected by the route as it passes through Westferry Road, Limehouse Causeway and Narrow Street.

There will be one vehicle crossing point at Three Colt Street open until 08:55 and reopening at approximately 11:10. It will be closed between this time to allow runners to pass safely along the course.

This vehicle crossing point will allow access for residents and businesses located south of Limehouse Causeway that are otherwise landlocked by the event.

Horseferry Road, normally one-way, will be temporarily made two-way for traffic for the duration of the road closures to allow access for residents in that area.

### Vehicle crossing point location

- 5 Three Colt Street**  
Closed for runners from 08:25 to 11:55

## THE LONDON MARATHON CHARITABLE TRUST

The Vitality Big Half is organised by London Marathon Events Limited (LMEL). After costs, 100 per cent of LMEL's surplus is gifted to The London Marathon Charitable Trust to provide funding for sport and recreational facilities in your area and beyond.

Established in 1981, The Trust has allocated more than £16 million over 330 projects in Greenwich, Lewisham, Southwark and Tower Hamlets. The projects include the Charlton Lido community gym, the Community Centre at Abbotshall, the refurbishment of Southwark Park Sports Complex and the community sport building in Victoria Park.
